TRANSLATION

Foreign Language Translation Services

The high standard of services we offer is possible due to an extensive network of expert translators & interpreters who specialise in translating to and from live languages. As one of the leading agencies offering translation services in Khartoum, we can allow ourselves to work only with the most talented and experienced professional translators who understand and share our core values - Professionalism, Accuracy and Reliability.

INDUSTRY SECTORS

Experience and Capabilities

HHITS experience, capabilities and scale mean we can deliver value to clients across most industry sectors – International, public and private.

Our HHITS professionals offer translation services in the following fields: legal, technical, financial, marketing and communications, education, tourism, business, medical translation, beauty and cosmetics, luxury and fashion, IT, etc.

Our translators are able to translate user manuals, websites, brochures and any other type of document.

INTERPRETATION

Foreign Language Interpretation Services

HHITS offers accurate interpreting services that promise comprehensible and successful communication. Our interpreters are available for business meetings, conference calls, conventions, exhibitions, courtroom and depositions, medical exams, community meetings, and tours. In today's world, communication is a key factor for success. The need to overcome a language barrier can be critical and HHITS's interpreting services are always available to help.
